- **Compared with the previous period**, total touchpoints rose by 31.5% (772 → 1015).
- Customers locked out near due dates raised repayment concerns.

CUSTOMERS OVERVIEW CONCERNS

This comparison highlights the most prominent and consistent concerns per channel during the monitoring period.

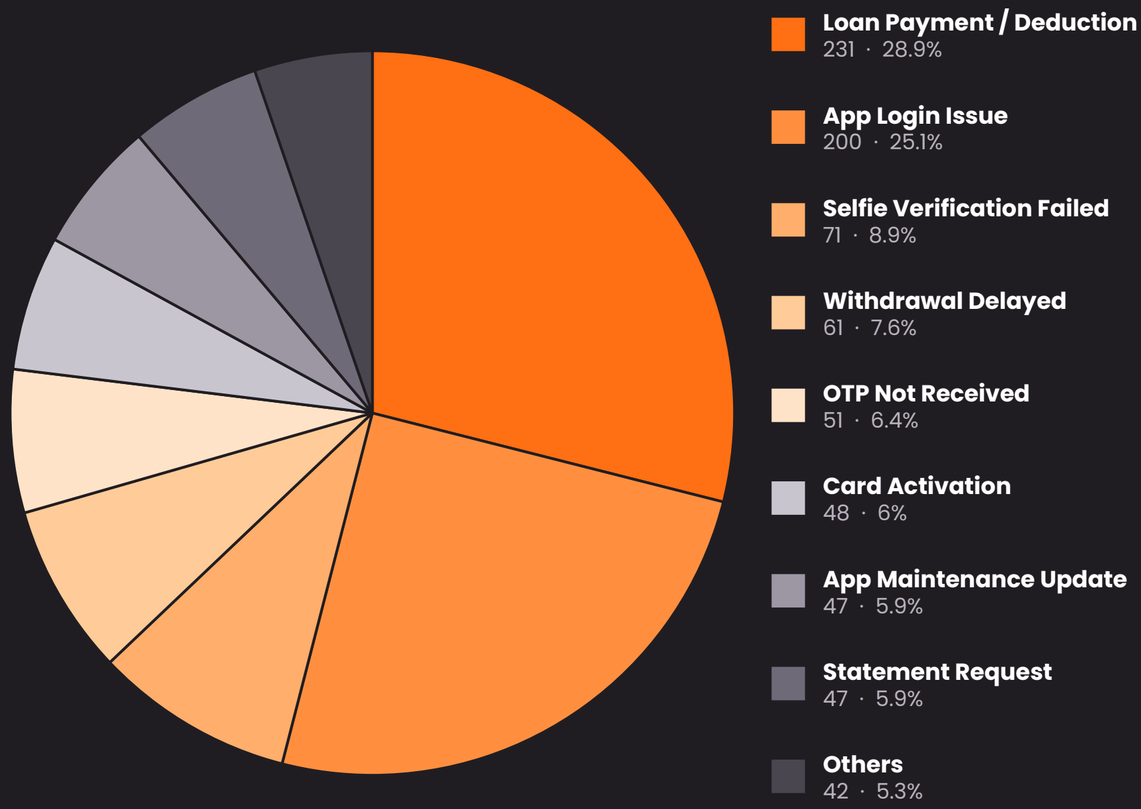

CHANNEL	CONCERN	METRIC	OBSERVATION
Private Messages	Loan Payment / Deduction	231	Loan Payment / Deduction accounted for 28.9% of private messages in this period. Supports the main finding.
Public Comments	App Login Issue	60	App Login Issue accounted for 37.7% of public comments in this period. Supports the main finding.
Seeded Posts	App Login Issue	18	App Login Issue accounted for 37.5% of seeded posts in this period. Supports the main finding.
Seeded Replies	Interest Rate Inquiry	3	Interest Rate Inquiry accounted for 30% of seeded replies in this period. Supports the main finding.

PRIVATE MESSAGE ACTIVITY

Customer concerns received through private messages are consistently monitored, with a total of 798 messages handled. The following are the top 5 ranked concerns:

INQUIRY THEME	INTERACTION HANDLED	ACTUAL MESSAGE	HOW WE RESPONDED
Loan Payment / Deduction	231	My loan shows overdue but I funded my account before the due date. Was the deduction not processed?	Hi! We are aware of an issue affecting some auto-deductions. Our team is working on it and the deduction should reflect within 1–2 days. We will adjust any affected records on our side.
App Login Issue	200	The app will not open after the update. Please help, I need to check my balance today.	Hello! We're sorry for the trouble. Please send us your full name and registered mobile number via private message so our support team can check your account. Thank you for your patience.
Selfie Verification Failed	71	My selfie verification keeps failing even in good lighting.	Hello! Please try again in a well-lit area without glasses or a cap. If it still fails, message us so we can assist securely. Do not share your ID or selfie in the comments.
Withdrawal Delayed	61	I requested a withdrawal to my e-wallet 3 days ago and it still has not arrived.	Hello, to track this please share the date, amount and destination account of your withdrawal via in-app chat. Our team will check the status.
OTP Not Received	51	No OTP again today. I tried three times already.	Hi! Please check your spam/junk folder and make sure your registered number is correct. If you still do not receive it, contact our support via in-app chat.

PRIVATE MESSAGE ACTIVITY

KEY INSIGHTS

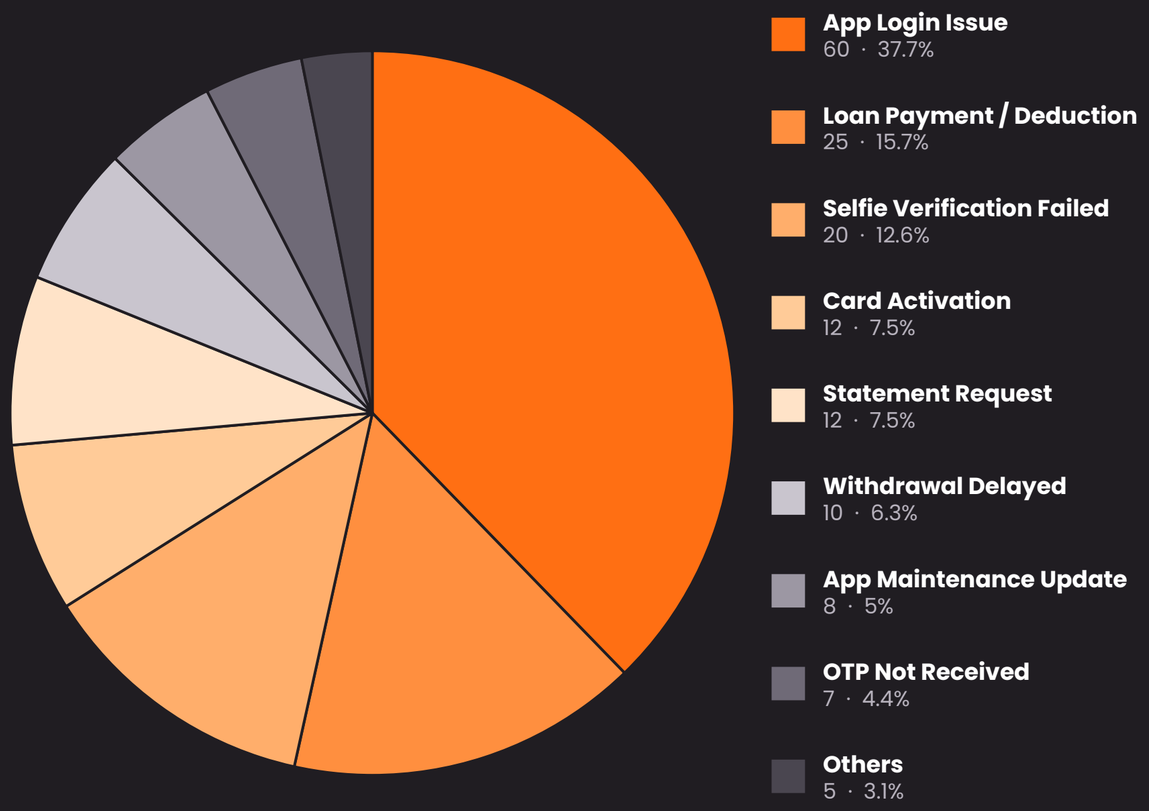

- **Loan Payment / Deduction** led with 231 of 798 messages (28.9%).
- The top 3 themes together account for **62.9%** of private messages.
- Compared with the previous period (134 → 231), the leading theme increased.
- Share timely status updates.

PUBLIC COMMENTS ACTIVITY

Acme Digital Bank consistently monitors customer concerns raised through public comments, with a total of 159 comments handled. The following are the top 5 ranked concerns:

INQUIRY THEME	RESPONSES SENT	ACTUAL MESSAGE	HOW WE RESPONDED
App Login Issue	60	Why can't I sign in? I reset my password twice already.	Hello! We're sorry for the trouble. Please send us your full name and registered mobile number via private message so our support team can check your account. Thank you for your patience.
Loan Payment / Deduction	25	Sept 30 pa ako nag-fund para sa due ko ng Oct 1, hindi pa rin nababawas. Please check.	Hello, thank you for letting us know. Please send your registered mobile number by private message so we can verify your payment status.
Selfie Verification Failed	20	The face scan says "try again" every time.	Hello! Please try again in a well-lit area without glasses or a cap. If it still fails, message us so we can assist securely. Do not share your ID or selfie in the comments.
Card Activation	12	How do I activate my new card?	Hi! Card activation is available under Cards > Activate. If you do not see it, please message us with your registered mobile number.
Statement Request	12	How can I get my monthly statement?	Hi! Statements are available in the app under Profile > Statements. A copy can also be sent to your registered email.

PUBLIC COMMENTS ACTIVITY

KEY INSIGHTS

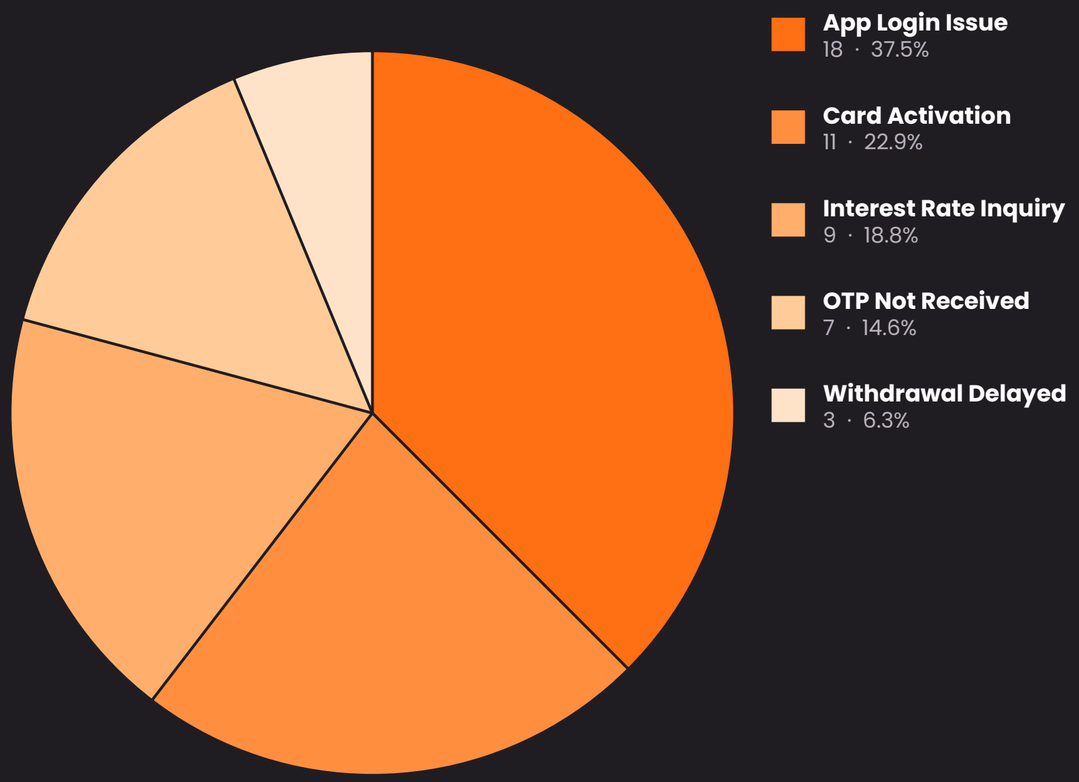

- **App Login Issue** led with 60 of 159 comments (37.7%).
- The top 3 themes together account for **66%** of public comments.
- Compared with the previous period (70 → 60), the leading theme decreased.
- Share timely status updates.

SEEDED POST ACTIVITY

A total of 48 seeded posts were published during the 2-week reporting period. The following are the top 5 ranked sampled posts:

INQUIRY THEME	POST COUNT	ACTUAL MESSAGE
App Login Issue	18	Anyone else having trouble opening the app today? I messaged the support page and they asked for my details, then someone called me. Fixed after that.
Card Activation	11	Has anyone activated the new card already? Was it easy?
Interest Rate Inquiry	9	Does anyone know how often the savings interest is credited?
OTP Not Received	7	My OTP came in right away today. The transaction was quick.
Withdrawal Delayed	3	Transferred to my e-wallet this morning and it arrived in minutes.

SEEDED POST ACTIVITY

KEY INSIGHTS

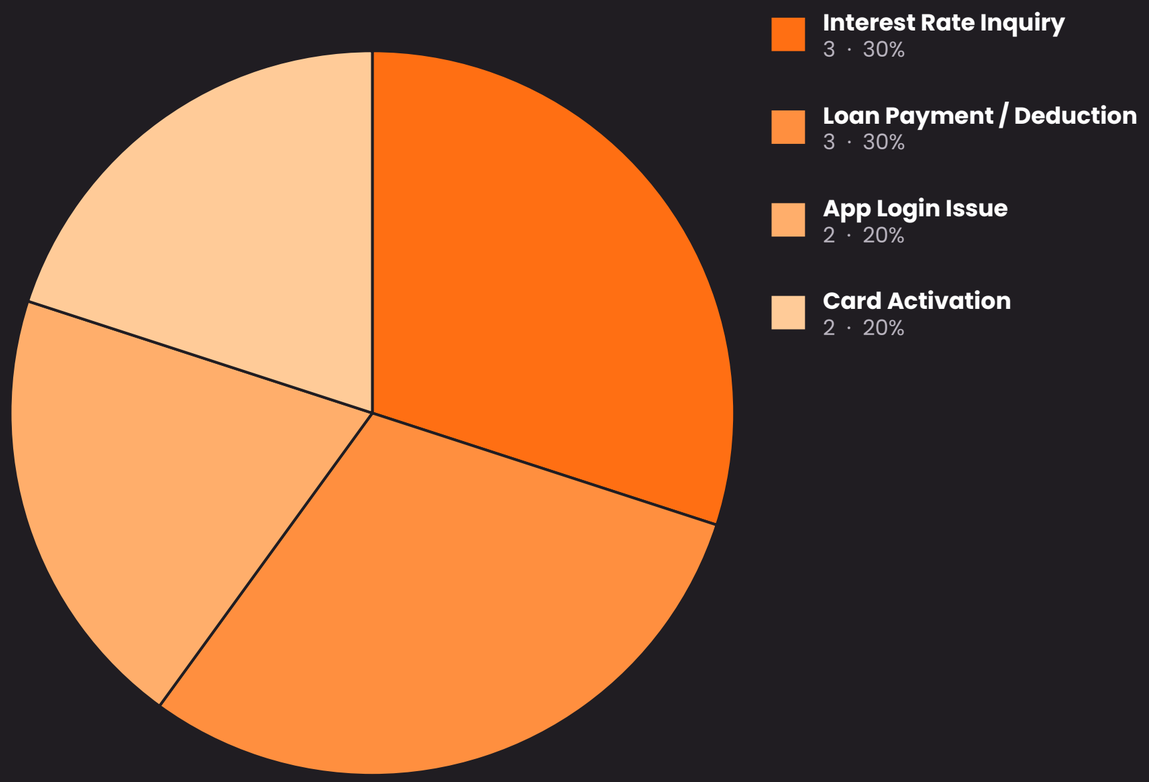

- **App Login Issue** led with 18 of 48 posts (37.5%).
- The top 3 themes together account for **79.2%** of seeded posts.
- Compared with the previous period (8 → 18), the leading theme increased.
- Share timely status updates.

SEEDED REPLIES ACTIVITY

A total of 10 seeded replies were recorded during the 2-week reporting period. The following are the top 4 ranked posts with seeded replies:

INQUIRY THEME	REPLY COUNT	ACTUAL POST	SEEDED REPLY
Interest Rate Inquiry	3	What is the savings rate this month?	Check Savings > Rates in the app, it's listed there.
Loan Payment / Deduction	3	Due date was yesterday but my payment was not deducted. What now?	Message their page, they will check it. Mine got fixed in two days.
App Login Issue	2	Can't log in to the app, anyone know what's going on?	Same here at first. I messaged their page, they asked for my full name and number, then I could log in the same day.
Card Activation	2	How do I activate my card?	Mine was easy, it's under Cards in the app.

SEEDED REPLIES ACTIVITY

KEY INSIGHTS

- **Interest Rate Inquiry** led with 3 of 10 replies (30%).
- The top 3 themes together account for **80%** of seeded replies.
- Compared with the previous period (5 → 3), the leading theme decreased.
- The sample is small (10 replies); interpret with caution.
- Share timely status updates.

A short, evidence-based suggestion that may help set clearer expectations for customers.

03

DAILY APP STATUS UPDATE

A short, evidence-based suggestion that may help set clearer expectations for customers.

04

CLEARER TOP-UP AND CANCELLATION TERMS

A short, evidence-based suggestion that may help set clearer expectations for customers.

05

GSAVE AND OTP UPDATES

A short, evidence-based suggestion that may help set clearer expectations for customers.

06

COMMUNITY ENGAGEMENT MONITORING

A short, evidence-based suggestion that may help set clearer expectations for customers.

OVERALL SUMMARY

The 2-week (September 24 - October 7, 2026) monitoring period recorded **1015 touchpoints**, with **App Login Issue** and **Loan Payment / Deduction** the leading customer-initiated concerns (260 and 256 interactions across private messages and public comments). Access and payment uncertainty can affect customer trust. Proposed priorities for the next reporting period: month-end loan advisory, faster access resolution, daily app status update.

THANK YOU!
